**Subject:** Revised version of the straw proposal we discussed this morning  
Cmnt rspns summ overview.docx

Thanks for the conversation today. I made some revisions based in part on our conversation-including pushing back the target date for having an initial draft for your and Martin's review till July. If we can get there sooner, we'll certainly do our best, but I want to be sure that we can meet expectations. I am also sending this to Dave, Gary and Alice for their input.
